Chadwells Stud

British bred - a blend of the best.
A new generation with high quality talent,
temperament, and type

Welcome to Chadwells Stud, a family run stud that is passionate about breeding high-end dressage horses that can be enjoyed by both amateurs and professionals alike.

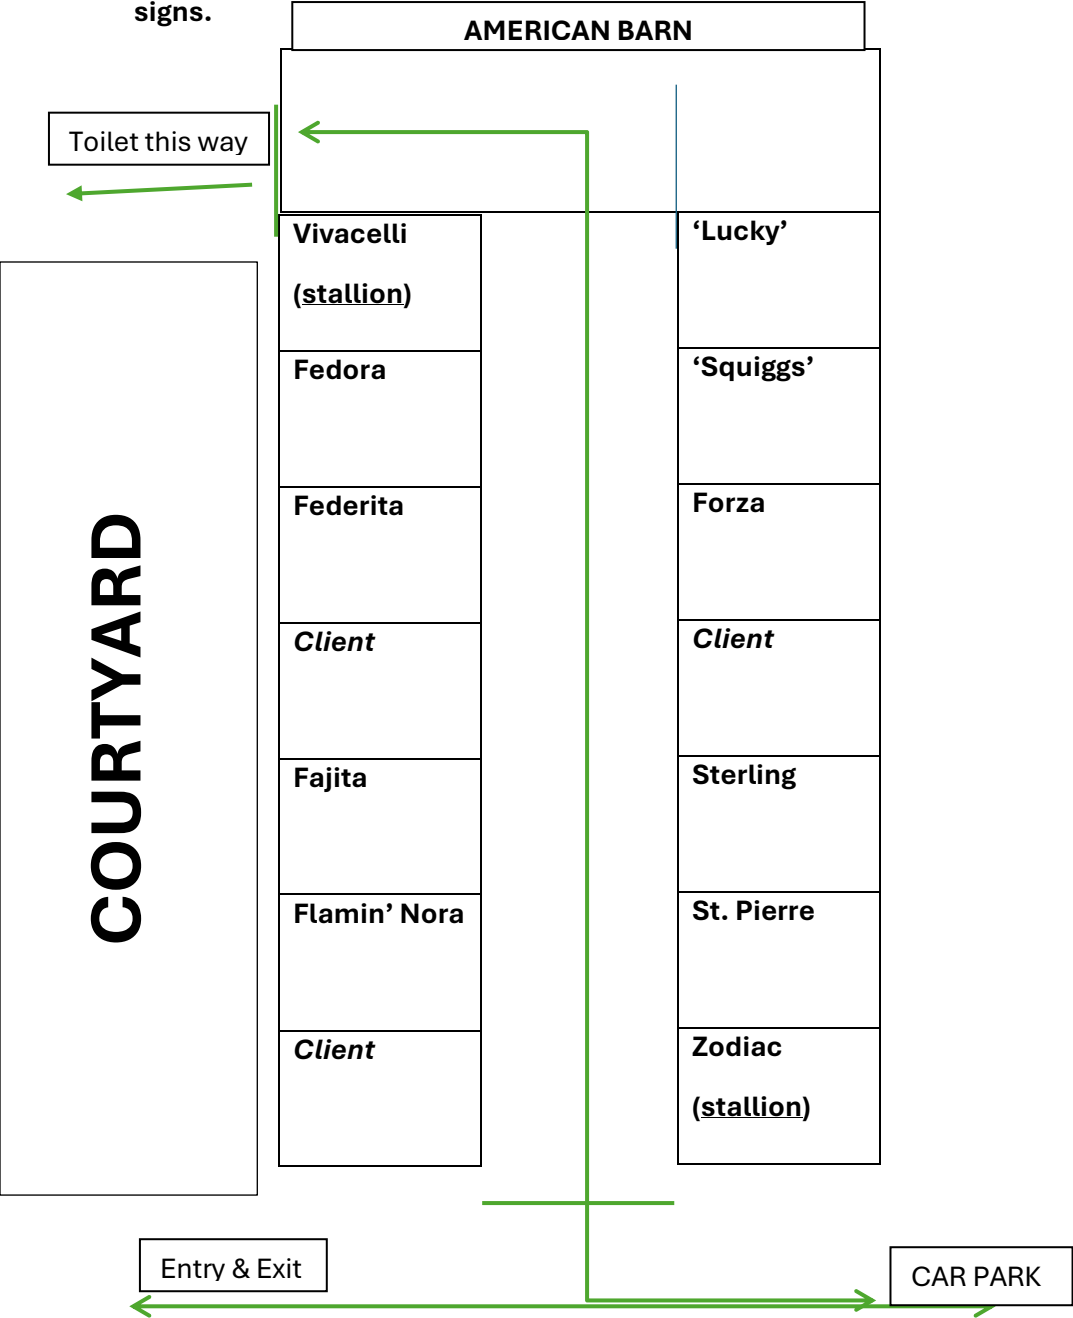

We have carefully sourced excellent mares, many of whom we purchased as foals based on their own quality and the success and consistency of their mareline. We are extremely proud to have mares in our breeding programme from some of the best mare families in Germany and England.

Julia invests a significant amount of time into sourcing the most ideal stallion to match each mare, to produce the healthiest, most trainable, and talented horse possible. We aim to breed horses that have long, healthy lives, while being competitive on the National and International stage.

When breeding and choosing a suitable stallion, it is important to recognise the faults in your mare, but also to further look at the horses in the pedigree behind the horse in front of you (your mare).

Often the most trendy and commercial stallion is not the most suitable for your mare/her pedigree, and this is where Julia loves investigating what stallions are out there... you will notice we use a mixture of both very well known, older, established stallions, but also the lesser known and younger hidden gems who are in the early years of their career.

Stable plan for the American Barn. (please refrain from walking around the courtyard. For TOILET walk through barn and follow signs.

Federita CS

Dark Bay Filly Foal to make 16.3/17hh

A serious foal for the future. Very elegant and long legged with already obvious ability to sit in the canter and show many gears in the trot. She shows superior cadence and suspension in the trot and has a top walk.

Her sire, Federer, was awarded 'Main Premium Champion Stallion' at the Oldenburg Licensing 2023, for his outstanding first crop of foals and his performance in sport thus far. At only 7 years old he has placed very well at S level /Advanced. His eldest offspring are proving to be talented and very willing to work like their sire.

Federita's mother, Woodlander Wuanita, was very straight forward to back and break in, before commencing her purposely chosen breeding career. She holds the much-valued W-line being by the son of Double Young Horse World Champion, Woodlander Farouche, while her mother's side presents the incredible legends of dressage breeding, Hotline and Weltmeyer.

Wuanita's maternal sister, Dare To Be CS ridden by Sophie Chatwin, is competing at Advanced Medium at 7yrs - with a lot of talent for the tempi changes and collected work. We are absolutely convinced by this 'mare-family' and thoroughly look forward to following the horses from it.

Woodlander Forza

Chestnut Colt Foal to make 16.2hh

“Forza” to translate from Italian means strength, power and “let’s go”!
This is everything I could want from a future stallion prospect from one of the best damlines in the UK. It is no surprise that the dam, Fuerstin Tango, is now owned by Chadwell Stud.

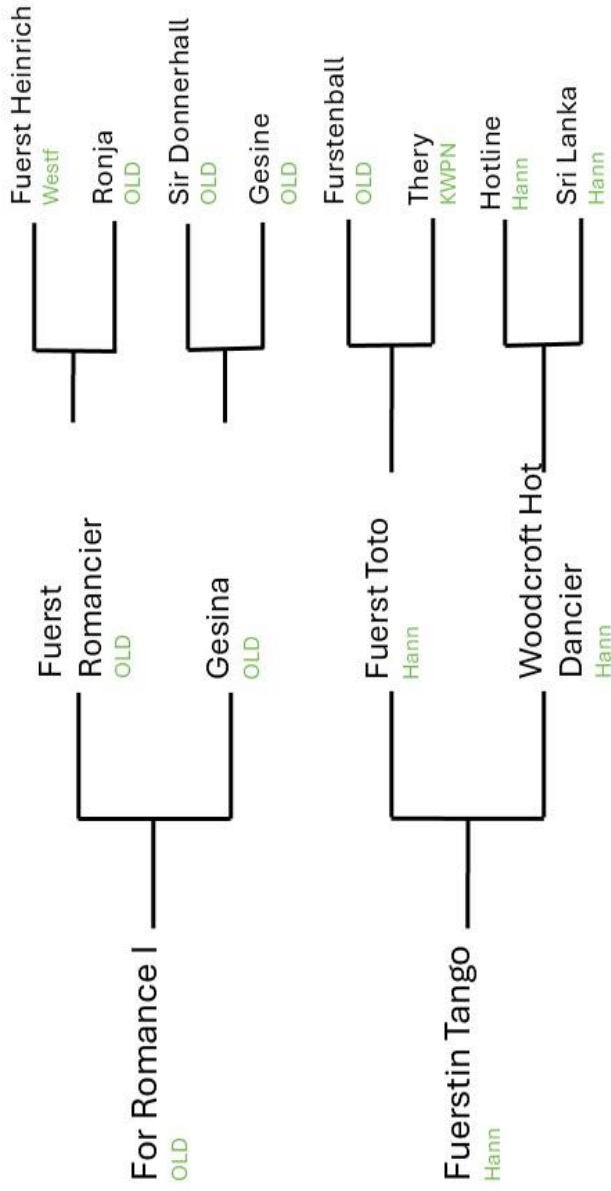

The mare family has produced 40 Hannoverian licensed stallions including Garibaldi, White Star, Wolkenstein, Brentano and more recently the successful stallions Labadio and Bon Vivaldi, both of whom had success in the sport. The family shows a long list of Olympic, European and Bundeschampionat success with famous names like Beauvalais ridden by Beatrice Ferrer Salat in to bronze in the Olympics.

Divine Destiny CS

2024 Bay yearling filly to make 16/16.1hh

This gorgeous, feminine filly has 3 super elastic paces. She moves through her body with great suppleness and energy.

Beautifully marked, she is going to be a showstopper; so far proving to be exceptionally sweet natured.

She is by our very own Internationally licensed Hanoverian stallion, Divine Intervention who is by Grand Prix hopeful and up and coming star-Sire, Despacito.

He has an incredible motherline; his mother was successful at Small Tour level but significantly, she was World Young Horse Champion. Her other son is also a licensed stallion in Germany, while her eldest daughter was Bundeschampion of Germany, Hanoverian Champion, and Vice-Bundeschampion of Germany the following year too. A family of high achievers and most importantly, high rideability. Divine Intervention has recently won his first show, in Germany, at just 4 years old.

This filly's mother also needs a special mention. Hot Chocolate competed to Inter 1 with a young rider, and her motherline has produced a convincing number of Advanced level horses, as well as the licensed stallion Desert Moon.

Divine Moon CS

2024 Bay yearling Colt to make 16.3/17hh

An ultra friendly, big moving, powerhouse.

Our youngest foal of the year did not disappoint.

He too is also by our own Divine Intervention, as mentioned previously...'he is by Grand Prix hopeful and up and coming star-Sire, Despacito.

Divine Intervention has an incredible motherline; his mother was successful at Small Tour level but significantly, she was World Young Horse Champion too. Her other son is also a licensed stallion in Germany, while her eldest daughter was Bundeschampion of Germany, Hanoverian Champion, and Vice-Bundeschampion of Germany the following year too. A family of high achievers and, most importantly, top rideability.'

What makes this young man even more special is his beautiful, important mother, Havana Moon.

Havana is an Elite Hanoverian mare, by Hotline, a Grand Prix stalwart and notable breeding stallion. She is out of a mare by Weltmeyer, a true legend of his time, Champion throughout his life, king of conformation, and a producer of top-class sport horses and stallions.

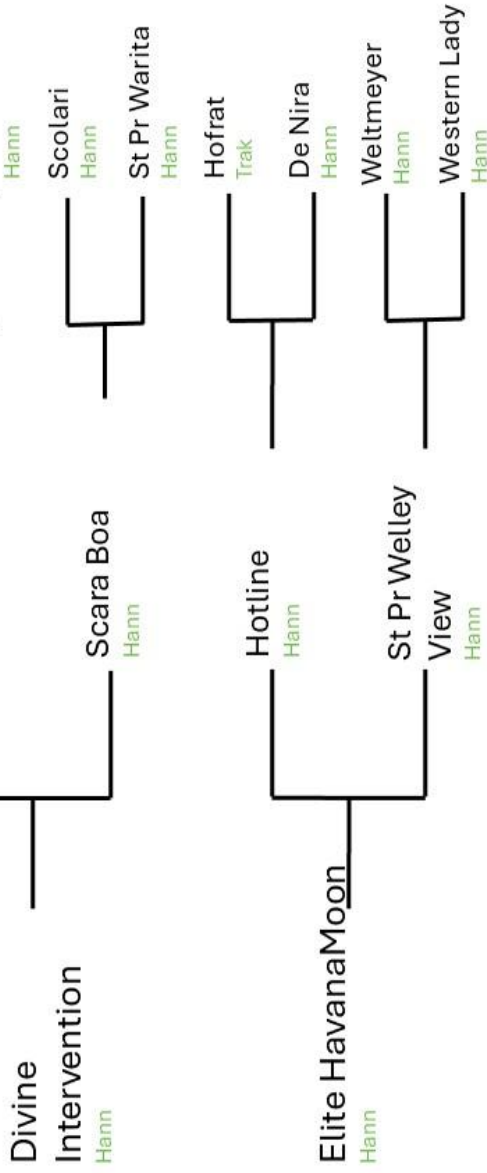

Divine Moon has a perfect blend of both his parents; powerful but elegant, expressive moving, and people orientated.

Vesuvius CS

2023 bay 2yo gelding to make 17.2hh+

A true gentle giant with the most sensible and sweet nature. He has three fantastic paces with a lot of expression and suppleness. His walk is very good, while he is really light-footed for a large horse.

His sire, Valdiviani, is a Premium Hanoverian licensed stallion who was a Finalist in the World Young Horse Championships for 7yos. Since then at just 9 years old in a minimal number of outings, he has clocked up several top placing at S* and is the choice ride of World-renowned Isabell Werth.**

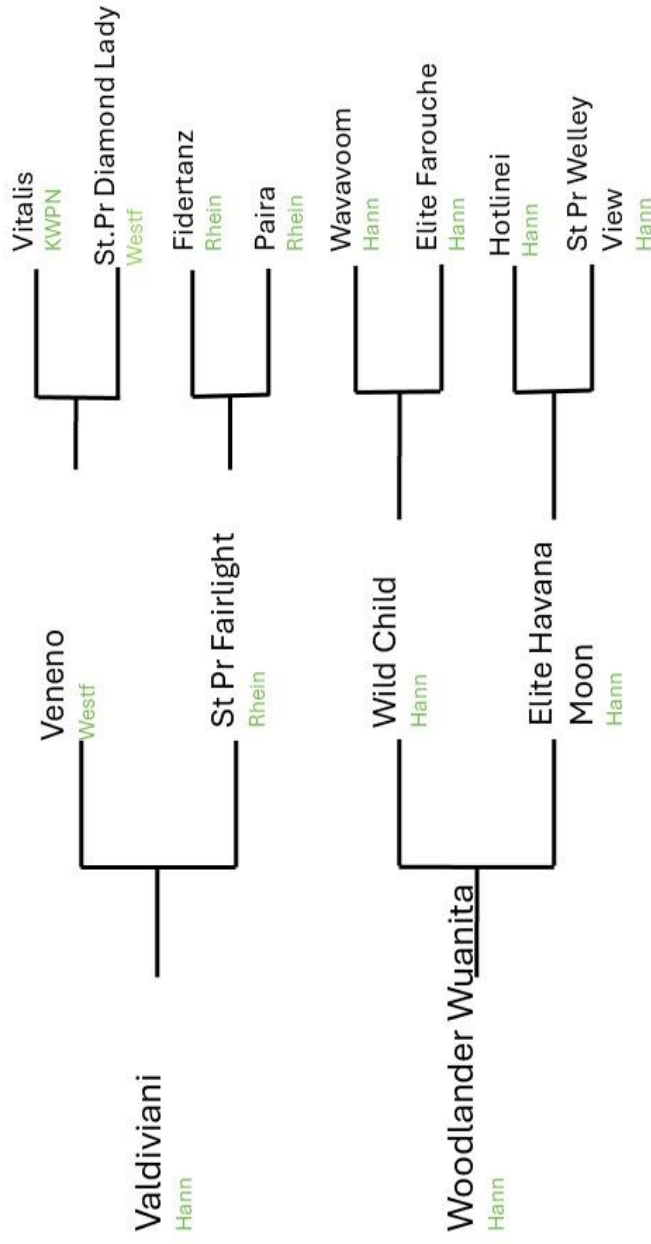

His mother, Woodlander Wuanita, carries extremely sporty blood for top level sports. Woodlander Wild Child was a foal champion and Licencing champion, his dam was two times World Young Horse Champion and exceptionally successful in sport; while King of collection Hotline, and legend of breeding Weltmeyer, complete a superb pedigree.

2022 Bay 3yo mare to make 16.2h

Wow, this young lady is special. She has a contact from and a beautiful face. She is powerful with a super hind leg and real presence about her.

Sire, Freigeist, received the Weltmeyer award from the Hannoveraner Verband for his exceptional first crop of foals and his own performance in sport. He is by Foundation who leaves little to be fisted as both a sire and sports horse.

On the mare's side we have Champions combined. Foal and licensing Champion Woodlander Wild Child is out of Woodlander Farouche, Double World Champion - she even beat the legend Valegro!

The grandmother of Fajita CS, Elite Havana Moon, was ridden by Michael Eilberg who enjoyed and valued the mare so much that they purchased the mare's first foal. Havana Moon carries the excellent lines of Hotline and Weltmeyer...this is a pedigree of a dream FEI horse.
